ARGENTINIAN STEAKS

These great steaks always come from the Solassi family ranch in San José, Argentina. We know the natural husbandry conditions of the cattle and can therefore guarantee the highest quality meat. Steaks as they should be:

BEEF FILLET
180g San José, Argentina 24,90
250g San José, Argentina 28,90
Beef fillet, known as tenderloin in the USA, is the most tender cut from the inner loin muscle. The medallions are cut from the narrow fillet.

SIRLOIN STEAK
250g San José, Argentina 22,90
The steaks are cut from the heart of the hip. Our tip: order rump steaks medium or English - this is when the steaks are at their most tender.

RUMP STEAK
250g San José, Argentina 24,90
350g San José, Argentina 29,90
The steaks are cut from the back. We serve our rump steak with the typical fat edge for a better taste experience of roasted aromas and caramel.

RIB-EYE
300g San José, Argentina 27,90
400g San José, Argentina 34,90
The steaks are cut from the prime rib. With the typical fat eye, for juicy, hearty enjoyment. Particularly aromatic in taste.
